## Family Compact – compact and close-fitting

Ensuring privacy and shade on the balcony or patio

### Semi-cassette type

**Closed on three sides**

*The protective cover, base profile and close-fitting front profile protect the awning fabric and mechanism from the effects of the weather when the awning is retracted.*

*Compact design with a high degree of comfort and superb technical features.*

Classic design, superior quality, ease of operation and high value retention: the Family Compact combines the protective function of a cassette awning with the ease of installation of a back bar awning.

*Fits snugly against the wall for a clean façade look.*

## Cassette type

### *Closed on four sides*

*The protective casing for the awning turns the housing into a cassette, offering all-round protection for the roller.*
